Who are Team - Works On My Machine?

It depends!

Jackson Conte

> *Every time the Bears lose, it's intentional.*

Software-Related Interests:

OS, Distributed Systems

Hobbies:

Piano, guitar, writing, gaming, golf, (American) football hot takes, D&D

Varun Singh

> VS Code is the Crocs of Text Editors.
(I will not elaborate.)

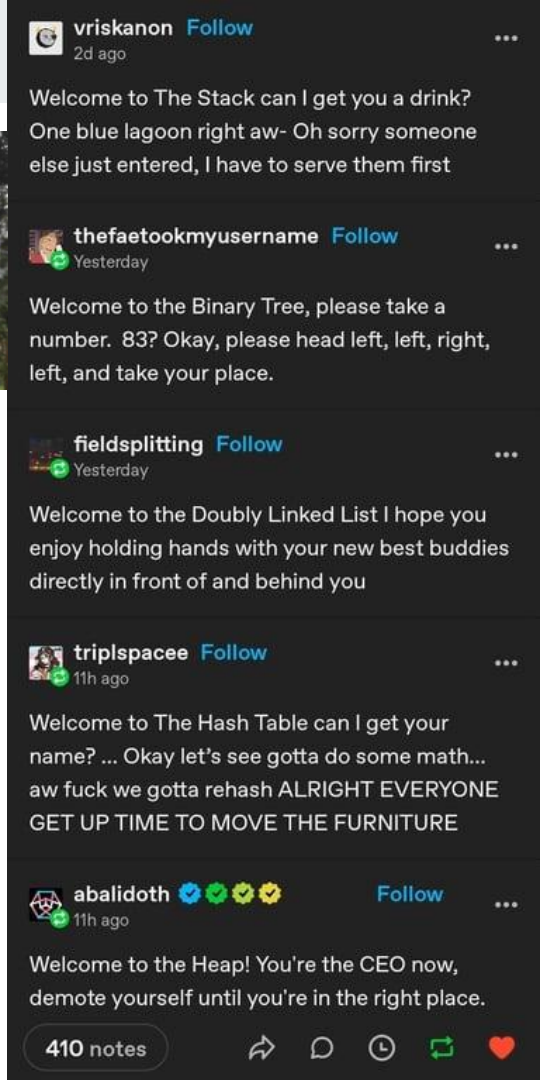
Software-Related Interests:

Mixed Reality, Human-Computer Interaction

Hobbies:

Music Production, Photography

Ableton Live



Josh Cross

> I beat Markiplier at Trivia M[1] he got so upset he accused m

Software-Related Interests:

Game Development, Systems

Hobbies:

(discord.gg/tritongaming)

Video Games, D&D, shameless self promotion, being chronically late

1 https://youtu.be/eRgAXjcuqps?t=6027

Om Prakaash

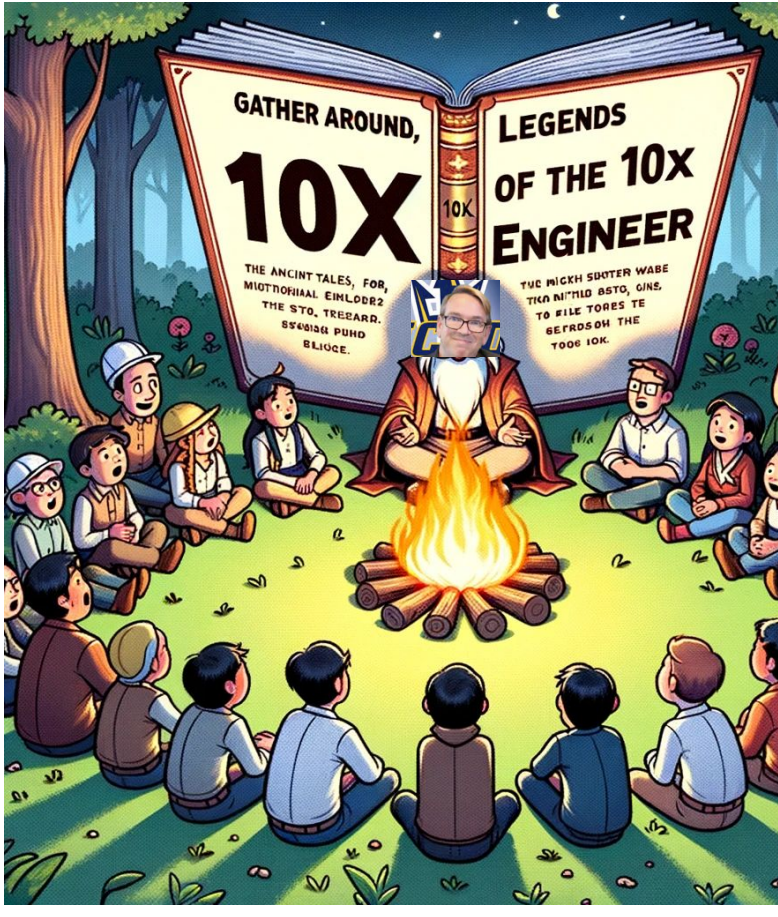
My friend - the crow

Software-Related Interests:

OS, Programming Languages

Hobbies:

Reading books - mostly fantasy and sci-fi, playing video games.



Thank you Dall-E !

Haoruo(Eric) Zhang

Software-Related Interests:

Deep Learning, Computer Vision

Hobbies:

Video games, hiking/camping, biking, sailing

CS Researchers write terrible codes… Hopefully I'll not be one of them

Siddharth Shukla

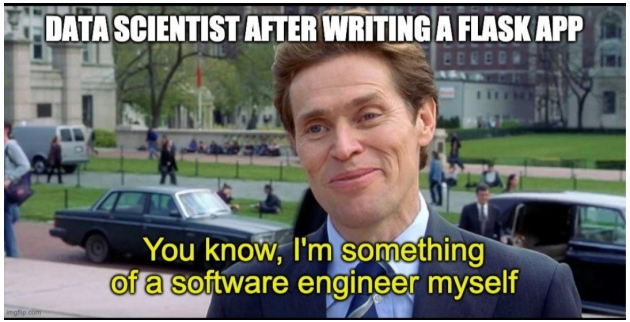
> *Software Engg - structured symphony of code,*
> *Data Science - jazz improvisation of code for data*
> *- occasionally, it's beautiful chaos*

Software-Related Interests:

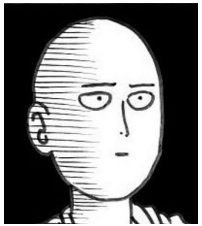
NLP, ML custom library development

Hobbies:

Biking, Jogging, Watching Soccer(EPL), Playing Guitar



Shrivaths Shyam (Vats)



> If there was an award for the most skeptical person, the most skeptical person might not accept the award…

Software-Related Interests:

Software Engineering, ML, DL

Hobbies:

Cricket, Soccer (support Liverpool FC), tennis, Anime, gaming (I am bad), board games

Kaize (Birdy) Yao

Software-Related Interests:

Software Development, Machine Learning

Hobbies:

Video Game, Ultimate Frisbee, Badminton

Lakshya Lnu

Software-Related Interests: Generative AI, Computer Science

Hobbies: Soccer(Play and watch)
